Date: November 2020
Action Plan

Eco-Schools Topic:
Litter

Aims:

Raise awareness of importance of using bins.

Reduce litter around school and Anstey

Action(s):

Run a poster competition throughout the school – Feed the Bin Monster

Winning posters printed and laminated, then put up in near bins in school and around Anstey.

How long will it take?
Three weeks for entries, then a week for judging.
Then, two further weeks for printing and distribution.

Who is responsible?
Committee make video to promote it; teachers let pupils design in DT lesson or as homework; Committee to judge; BK to print and distribute, possibly with help from Parish Council/ Staff/ parents.

How we will monitor progress:
Before and after photos; Feedback from cleaning staff and Parish Council.

Evaluation:

Eco-Schools Topic:
Energy

Aim:
To reduce the number of Kilowatt Hours our school uses.

Action(s):
'No Computers Day' across the school, where no technology are used (except the camera on the iPads, for evidence).
Eco Class Points Competition - points awarded to classrooms where computers, visualisers, screens and lights and turned off when not used.

How long will it take?
3 month billing cycle

Who is responsible?
Maisie in the office recording KW/H used; Cleaning staff awarding Eco Points; committee checking if fewer KW/H are being used.

How we will monitor progress:
At the end of the billing cycle, a comparison will be made between, this bill and the previous bills.

Evaluation:

Eco-Schools Topic:
School Grounds

Aim:
To improve the look of the grounds, whilst providing food or shelter for minibeasts.
To foster an appreciation for the need to care for plants and wildlife.

Action(s):
Perk-Up-a-Planter Competition - with each class/ phase given a planter(s) to decorate and plant.

Also, each class given a plant to care for. If their plant is flourishing at the end they win a prize.

How long will it take?
The duration of the Spring Term

Who is responsible?
Teachers and classes;
The Eco Committee and Head Teacher will judge.

How we will monitor progress:
Before and after photos.

Evaluation:
